### Sports Pitches/Pavilion & Alterations to P.E. Block | Motherwell

The works at Braidhurst High School consisted of the construction of a new external 5-a-side synthetic hockey sports pitch built to Sports Scotland standard.

Construction of new 200m<sup>2</sup> changing pavilion.

Works also included alterations and refurbishment of the existing school sports hall including new flooring and upgrading of changing facilities.

An extension to the existing P.E. Block was added to accommodate gym equipment.

Externally a new bus park and access were provided.
