### **Turf-cutting Ceremony Children's House, Albans Crescent, Motherwell**

A turf-cutting ceremony was recently held in Motherwell to mark the start of work on the construction of a new £1.8m Children's House for North Lanarkshire Council.

Maxi Construction Limited is the Main Contractor for the new single-storey facility which will provide six bedrooms with en-suite facilities, communal areas, kitchen and office accommodation. The building will include vitral rooflights, rendered, facing brick and timber cladding to external walls, underfloor heating and several bespoke items of furniture of high quality materials. The six bedrooms will be housed within two circular sections of the building.

The ceremony was carried out by Motherwell West Councillor Michael Ross (pictured alongside North Lanarkshire Council's Executive Director of Housing and Social Work Services, Mary Castles). Mr Ross commented "It's important that we support this development as it provides young people and their families with vital support when they need it most."
